COMPLETE WAIVER AND PAPERWORK

Participant (adult and minor), joined by Parent if the participant is a minor, in consideration of the services of Calleva Inc., acknowledges and agrees as follows:

Activities and Risks

I understand that Calleva has attempted to provide its participants with appropriate equipment and skilled staff for its programs (course, seminar, or trip). Nevertheless, the activities of the programs have risks, including certain risks which are inherent. Inherent risks are those which cannot be eliminated without destroying the unique character of the activities. The same elements that contribute to the unique character of these activities can cause loss or damage to the equipment, accidental injury, illness, or, in extreme cases, permanent trauma, disability or death. Calleva does not want to frighten its participants or reduce their enthusiasm, but considers it important for them and their families to know in advance what to expect, and to be informed of the activities' inherent risks. The following describes some, but not all, of those risks.

Calleva programs live, camp and travel out of doors, where they are subject to numerous environmental and other risks. Activities vary from program to program and may be strenuous, physically and emotionally. The activities include hiking and backpacking, mountain boarding, climbing and descending rock cliffs, whitewater and sea kayaking, rafting, canoeing, sailing, horseback riding, skiing, snowboarding, mountain biking, fishing, and caving.

Equipment may fail or malfunction, despite reasonable maintenance and use.

Meals are prepared over gas stoves and open fires. Camping risks and hazards include burns, cuts, slips, falls, lifting, and diarrhea and flu-like illness.

Decisions are made by the instructors and participants usually are in a wilderness setting, based on a variety of perceptions and evaluations which by their nature are imprecise and subject to errors in judgment. Misjudgments may pertain to, among other things, a participant's capabilities, environment, terrain, water and weather conditions, natural hazards, routes and medical conditions.

Calleva activities are instructional in nature and students will be challenged to expand their skills and judgment.

I have read and understand the general information about Calleva and its courses in the Calleva literature and/or at the Calleva website. The staff of Calleva (by phone or email) has been available to more fully explain the nature and physical demands of the activities in which I will be engaged, and the inherent and other risks of my Calleva activity.

ACKNOWLEDGEMENT AND ASSUMPTION OF INHERENT AND OTHER RISKS :

I understand and acknowledge that the description above ("Activities and Risks") of the inherent risks of Calleva's activities is not complete and that other, including unknown or unanticipated, risks, inherent and otherwise, may result in property loss, injury, illness or death. I acknowledge that my participation in this Calleva program is purely voluntary, and I wish to participate in spite of and with knowledge of the inherent and other risks involved. **I acknowledge and assume the inherent risks described above and all other inherent risks of my Calleva activity. In addition, except for an injury or other loss which occurs on lands whose rules or regulations prohibit my doing so as a matter of law, I expressly assume ALL risks of my Calleva activity, inherent or otherwise, and whether or not described above.**

AGREEMENT OF RELEASE AND INDEMNITY :

If I am an **adult** Participant or the Parent of a minor Student I agree, for myself and on behalf of the minor student for whom I sign, as follows:

I hereby release, hold harmless and agree not to sue Calleva, its owners, officers, trustees, agents, employees, and contractors ("Released Parties"), with respect to any and all claims of injury, disability, death, or other loss or damage to person or property suffered by me or by a minor Participant for whom I sign, arising in whole or part from my, or the minor child's, enrollment or participation in an activity of Calleva. I agree further to indemnify ("indemnify" meaning to defend, and to pay or reimburse) Released Parties against any claim by a member of my, or the child's, family, a rescuer, co-participant, or any other person, arising in whole or part from an injury or other loss suffered or caused by me, or by the minor child, in connection with an activity of Calleva. These agreements of release and indemnity include claims of negligence of a Released Party, but not of gross negligence or intentionally wrongful conduct, and are intended to be enforced to the fullest extent permitted by law.

OTHER PROVISIONS :

Calleva is authorized to obtain or provide emergency hospitalization, surgical or other medical care for me, or for the minor Participant. Any such third-party medical care provider is authorized to exchange pertinent medical information with Calleva. Costs reasonably associated with medical services, including evacuation, shall be borne by me.

Calleva may share my or the minor Participant's contact information with other Calleva participant or graduates and/or with environmental organizations or strategic partners in which Calleva graduates may be interested. Calleva may also use my or the minor Participant's name, contact information and picture in promotional materials and press releases.

HEALTH STATEMENT:

This *program* involves participation in outdoor activities that are, by their nature, physically and mentally demanding. Therefore all participants must be free of medical or physical conditions, which might create undue risk to themselves or to others who depend on them. If there is any doubt whatsoever about your ability to safely participate in this activity, you should have a physical examination by a physician. We may require a physician's consent as a precondition for participation. I declare that I am in good physical health and believe that I am able without reservations or limited conditions to physically withstand and cope with the indicated rigors of this program.
